

There's nothing to do around here !

1. This is one of the most popular excuses for vandalism. We need to find out whether this is true:

- a) List six of your favourite activities out of school hours.
- b) Compare these with the whole class and work out the three most popular activities for your class.

2. Between you, you must know a lot about out of school activities. Make a list on the form overleaf. Ask your Teacher whether this could be included in the school's information pack for new children.
