

Please read the Net Capacity guidance (DfES/0739/2001) before filling in this form for the first time. This form can be used to assess any primary, middle deemed primary or first and middle school. It is easiest to use the computer spreadsheet, available at [www.dfes.gov.uk](http://www.dfes.gov.uk) (search for 'netcapacity'). Use this page to identify the basic information required. List all spaces in the Net Area Schedule on page 2 (following the notes on the facing page). All boxes shaded in grey will be worked out automatically in the computer spreadsheet. The 'Declaration of Accuracy' should be signed by the Head Teacher and a representative of the Local Education Authority.

### School Details

|                          |                                |                                                                                    |
|--------------------------|--------------------------------|------------------------------------------------------------------------------------|
| LEA                      | North Tyneside                 |                                                                                    |
| DfES LEA/school number   | 392/2042                       | date Sep-25                                                                        |
| school name              | APPLETREE GARDENS FIRST SCHOOL |                                                                                    |
| age range                | 3 to 9                         | #                                                                                  |
| first admission year     |                                |                                                                                    |
| normal year of admission | R                              | for instance 'Y2' or 'R' if reception (do not include nurseries: see below)        |
| number of years          | 5 a                            | number of years that those in the admission year will be at this school (e.g. '7') |
| planned admission number | 90 b                           | if known (allowing for infant class size limits)                                   |
| number of age groups     | 5 n                            | (a + e + h)                                                                        |

**If applicable:** complete the boxes below if the school is on a small or split site or has more than one year of admission.

no. of sites i

total site area (m<sup>2</sup>) m

(second admission year, if applicable) (third admission year, if applicable)

c f

d g

e h

$e = (c \times d) / b$   $h = (f \times g) / b$

### If applicable: Description of

#### LEA designated Early Years and Childcare provision, if any

39 PLACE NURSERY PROVISION

non-school and support provision, not normally available to the school during the school day

including the age range and the number of places involved. Enter area in 'net area' column and note with an 'E' at step 4

#### LEA designated specially resourced facilities, if any

non-school facilities (such as a community library, multi-agency facilities, or youth centre) or support facilities (such as an SEN support centre or a Learning Support Unit). Include the number of any additional specially resourced places, if applicable. Enter area in 'net area' column and note with an 'R' at step 4

#### LEA designated adult learning facilities, if any

(such as City Learning Centres, teacher training, or other Lifelong Learning facilities). Enter area in 'net area' column and note with an 'A' at step 4

## Net Area Schedule (and allocation of workplaces)

DfES no.
