The Subsidy Control Act 2022 came into force in January 2022 and governs the circumstances in which Public Authorities can award subsidies. Most funding measures are now subject to the Subsidy Control Act 2022 and more detailed guidance can be found in the BEIS Statutory Guidance for the United Kingdom Subsidy Control Regime here:

Schedule 6 Data processing

In this Schedule “Controller”, “Processor”, “Data Subject”, “Personal Data”, “Personal Data Breach”, “processing” and “appropriate technical and organisational measures” shall have the meaning as defined in the Data Protection Legislation.

1 Both parties shall comply with all applicable requirements of the Data Protection Legislation. This Schedule 4 is in addition to, and does not relieve, remove or replace a party’s obligations or rights under the Data Protection Legislation. In this Schedule 6 “Applicable Laws” means (for so long as and to the extent that they apply to the Recipient) the law of the European Union, the law of any member state of the European Union and/or Domestic UK Law: and “Domestic UK Law” means the UK Data Protection Legislation and any other law that applies in the UK.

2. The Parties acknowledge that for the purposes of the Data Protection Legislation, the Authority is the Controller and the Recipient is the Processor. Where required, the only processing the Recipient is authorised to do is set out below.

3. Without prejudice to the generality of Paragraph 2, the Authority will ensure that it has all necessary appropriate consents and notices in place to enable the lawful transfer of the Personal Data to the Recipient and/or lawful collection of the Personal Data by the Recipient on behalf of the Authority for the duration and purposes of the Agreement.

4. Without prejudice to the generality of Paragraph 2, the Recipient shall, in relation to any Personal Data processed in connection with the performance by the Recipient of its obligations under this Contract:

4.1 process that Personal Data only on the documented written instructions of the Authority unless the Recipient is required by Applicable Laws to otherwise process that Personal Data. Where the Recipient is relying on Applicable Laws as the basis for processing Personal Data, the Recipient shall promptly notify the Authority of this before performing the processing required by the Applicable Laws unless those Applicable Laws prohibit the Recipient from so notifying the Authority;

4.2 ensure that it has in place appropriate technical and organisational measures, reviewed and approved by the Authority, to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of or damage to Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);

4.4 not transfer or otherwise process any Personal Data outside of the UK without obtaining the Authority’s prior written consent;

4.5 assist the Authority, at no cost to the Authority, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;

4.6 notify the Authority without undue delay on becoming aware of a Personal Data Breach;

4.7 at the written direction of the Authority, delete or return Personal Data and copies thereof to the Authority on termination of this Contract unless required by Applicable Law to store the Personal Data; and

4.8 maintain complete and accurate records and information to demonstrate its compliance with this Schedule 4 and allow for audits by the Authority or the Authority's designated auditor and immediately inform the Authority if, in the opinion of the Recipient, an instruction infringes the Data Protection Legislation.

5. The Recipient shall not appoint any third-party processor of Personal Data under this Agreement. The Recipient may appoint a third-party processor of Personal Data with prior written consent from the Authority. Where such written consent has been obtained the Recipient confirms that it has entered or (as the case may be) will enter with the third-party processor into a written agreement incorporating terms which are substantially similar to those set out in this schedule 4 and which the Recipient undertakes reflect and will continue to reflect the requirements of the Data Protection Legislation. As between the Authority and the Recipient, the Recipient shall remain fully liable for all acts or omissions of any third-party processor appointed by it pursuant to this Paragraph 5.
