

## Section 3 – External Auditor’s Report and Certificate 2024/25

In respect of **Tyne Port Health Authority – OT0060**

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor’s limited assurance opinion 2024/25

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that the relevant figures are corrected in the prior year comparatives when completing next year’s AGAR:

- The smaller authority has not addressed the ‘except for’ matter raised by the external auditor when qualifying the prior year annual return regarding the overstatement of Section 2, Box 3 by £1,209. On the basis of above, Section 1, Assertion 7 has been incorrectly completed and should have been marked ‘No’.
- Section 2, Box 4 for the prior year is incorrect due to a typographical error and should read £237,395.
- Information received by the smaller authority in the internal auditor’s detailed report highlights that income in Section 2, Box 3 and payments in Section 2, Box 6 were overstated by £558 and £999 respectively. On the basis of above, Section 1, Assertion 1 has been incorrectly completed and should have been marked ‘No’. This is consistent with the internal auditor’s responses to internal control objective E.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Annual Internal Audit Report focuses on a series of internal control objectives covering an authority’s key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on internal control objectives L in respect of publishing required information on a website in accordance with relevant legislation. The Annual Internal Audit Report will inform the authority’s response to Assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

### 3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
